

Access to essential medicines is a vital lifeline for communities in remote, hard-to-reach areas. LEO Pharma's contribution to IHP has enabled us to provide vital medicine to thousands of people in need. LEO's generous financial support has also helped us do an incredible amount, including funding shipments, supporting disaster responses, healthcare programmes and much more.

Since 2013, together we have sent over:

26 SHIPMENTS

**TO 29
COUNTRIES**

**PROVIDING
329,708 UNITS OF
DONATED MEDICAL
PRODUCT**

When disaster struck, together we were there

Since 2013, you have enabled us to respond to over **29** different disaster situations and supported numerous long-term healthcare programmes. In addition to product donations, LEO Pharma have also provided IHP with **£97,446 in funding** to support our disaster responses. Here's just a snapshot of where your support has reached over the years:

2013

Pakistan: earthquake, Ghana, Somaliland, Uganda, Kenya, Honduras, Nigeria, Cambodia, Gambia, Nepal, Sierra Leone, Philippines: typhoon, Lebanon

2014
